Customer Reviews

Whether you have 2 pieces or 200 pieces of Fiestaware, this is the best handbook around. The Huxfords explain Fiestaware's history thoroughly. The collector will also be grateful for the many beautiful pix and credible pricing guidelines. As my dog-eared copy can attest, the guidebook will become your best friend when Fiesta shopping! I give this book a 10, but I hope the next edition - which is rumored to be out in 1998 - will address the new Fiesta line as some colors are now very collectible.

We were very pleased with the book and it's contents, we have owned the 1976 CEF for many years and this so far is a very good update, We will no doubt be adding HALL to our collection among others, we want to learn as much as possible to broaden our collection as started some 40 years ago. Thank You.

Great book and great service

GREAT ITEM! WILL BE BACK TO SHOP!
