Customer Reviews

Great new 224 page book featuring nearly 700 full color, sharp, photos of every type of racing collectible. Enthusiasts will really appreciate the great variety of items covered, ranging from autographs, bean bag racers, cards and cereal boxes to magazines, medallions, model kits, and statues, steins, tickets and uniforms. There's plenty of text provided and thousands of item listings.

If you collect car racing items, this is a must for your library.

This isn't a very helpful book at all. Just has a few of each category. Not like the old Beckett's by any means

First of all, I HATE the BIG UGLY picture of American Car Racer...do not know his name, on the cover of the book. Second, I hate NASCAR and Cheap political HOT WHEEL junk I do not even care for looking at. The book should focus on HIGH QUALITY COLLECTIBLE BRANDS ONLY. What a waste of paper~!!!
