Miller's Teddy Bears: A Complete Collector's Guide

Synopsis

Few can resist the appeal of the teddy bear—including collectors. In Miller's invaluable guide to this favorite toy, Sue Pearson gives practical advice on how to look at bears from the collector's point of view. A maker-by-maker directory shows key developments and highlights identifying features, and each bear comes complete with price. The inclusion of artists' bears from the present-day ensures there is something for every pocket. Now new in paperback, and updated, with all prices revised.
