When You're A Christian... The Whole World Is From Missouri: Living The Life Of Faith In A "Show Me" World

Synopsis

James W. Moore says that just as Missouri is the "Show Me" state, this is a "show me" world, where talking a good game is not enough. Essentially, the world says to us, "If you're a Christian, then show me!" Moore contends that we, as Christians, must show the world that our faith is not only a way of believing but also a way of behaving - that it is not just something we celebrate on Sunday, but something we live out in the world every day. In his warm, conversational style Moore explores characteristics that must be visible in our daily lives if we are to be effective witnesses in this "show me" world - forgiveness, dedication, gratitude, love, compassion, a spirit of service, perseverance, strength, faith and vision. Only when these are evident in our lives will the world know that we are Christians.

Customer Reviews

Our women's group is using this book for a weekly study and enjoying it so much. It encourages a lot of great discussion and our understanding of God's word for our lives is growing through James Moore's help.

We are doing this as a small group Bible study. Our ages vary from 43 to 85 and we ALL love it. We have done many different studies over the last 3 years and by far this is our favorite! We are almost through with this one and have already decided to go ahead with another one from James Moore.

And easy to consume in small bites! Definite recommendation for all of us dealing with today's

unfavorable attitudes towards Christians. Of course, we all knew we'd be in this.

Each chapter moves quickly and address a topic succinctly. The stories have something we can all relate to our own lives and makes for an easy read and great source for discussion.

Prompts many questions and much discussion. James Moore is a great writer. His books encourage you to think and dig deep within yourself. They are also very easy reads.
