Customer Reviews

Great book. Some photos are a little harder to discern but it's good.

I love the pictures! However the paper is cheap and there are no perforations to be able to remove the page without tearing the top of the page. I work very hard on my grayscale 'art' and would love to give them as gifts but not with the torn paper.

It is a good book. Disappointed in some of the pics, but overall nice book.

Absolutely loving the pictures in this book. Thank you for an amazing challenge
