Synopsis

iPhone 6 (FREE BONUS INCLUDED)The Ultimate User Guide With Exclusive Tips And Tricks To Master iPhone 6 And iPhone 6 PlusThe iPhone has been in existence for nearly ten years. I this time it has moved from an advanced concept into a reality in millions of peopleâ€™s homes. Each new release is better looking and packed with more features than the one before it. The iPhone 6 and the 6 Plus are no different; they represent the very latest advancements by Apple. In fact, the latest phone is significantly more powerful than many basic tablets. However, the more complex and technologically capable the phone becomes the harder it is to control all the settings and get the most from your phone. The iPhone 6 and 6 Plus are definitely not designed to just take phone calls! However, they are superbly designed to allow you to stay in touch with a myriad of different activities; from friends to work and even social media; no matter where you are in the world. The latest in wireless technology combined with a high specification phone will provide you with hours of fun and a serious tool to assist in whatever you like to do. Here is a preview of what you'll learn: A brief development of the iPhone 6 and 6 Plus The specifications of the phones and differences between the two. Setting your phone up and starting to use the basic features A range of tips to help you get started with your phone More advanced tips including accessing apps; an essential part of using any iPhone. Customer Reviews

This review is one star because I can't rate lower. Ultimate it is not! This booklet is basic turn on /turn off, essentially a "quick - start" handout that can be found either free or downloaded on the internet. Do not purchase this if you are looking for a guide. The visually learning series are a better choice

iphone 5 is a cell phone developed by Apple Inc. It has so many features to offer and this book is a user guide which tells you how to use your iphone 6 efficiently and helps you in mastering your iphone 6 by telling you how to use it

Very nice, I have also read iPhone SE user guide of this author which is the best guide I've read and helped me a lot in understanding my iPhone better. I would recommend this guide to everyone out there who wishes to buy an iPhone 6 and 6 Plus.
