# Seoul Food Korean Cookbook: Korean Cooking From Kimchi And Bibimbap To Fried Chicken And Bingsoo

## Synopsis

Eat Like a Local with Updated Recipes for Authentic Korean Cooking To capture the different flavors of Korea's thriving food scene, the Seoul Food Korean Cookbook offers a wide range of recipes for traditional and modern Korean dishes. Whether you hope to recreate your mother's Sliced Barbecued Beef (bulgogi) or replicate the Spicy Stir-Fried Rice Cakes (tteokbokki) from your trip to Korea, the Seoul Food Korean Cookbook takes you there. • 135 step-by-step recipes for Korean barbecue, kimchi, and more that any home cook can prepare with ease • Korean recipe names and ingredients listed in English, Korean, and Romanized Korean • A concise overview of Korean cooking, food customs, table manners, and restaurant dining tips • Detailed lists of kitchen essentials, pantry staples, and Korean cooking ingredients, with photos and shopping resources • Special chapters for Korean bar food (anju) like Pork Bone Soup (gamjatang) and fusion favorites like Army Base Stew (budae chigae) About the Author: Naomi Imatome-Yun is the author of the Korean cookbook *Cooking with Gochujang: Asia's Original Hot Sauce* and has been the Korean food editor for About.com since 2008. Her work appears in USA Today, Yahoo, and Dining Out.

## Customer Reviews

Being a fan of so many Korean dishes, I was excited to get this Kindle Edition of Seoul Food Korean Cookbook: Korean Cooking from Kimchi and Bibimbap to Fried Chicken and Bingsoo by the Author, Naomi Imatome-Yun. Just the thought of being able to replicate my favorite Korean Barbeque recipe made me smile. I like that there are 135 recipes to try in this cookbook as well as tips, etiquette and traditional customs. I really like that what I thought would be pretty difficult if not impossible traditional, modern and international recipes to create myself at home, really is possible in this cookbook. I enjoyed reading about the "you are what you eat" concept of Korean cooking as much more than just a meal but a lifestyle. I love the variety of these spicy bold dishes! I like that with a rice cooker, stir fry pan, segmented serving dishes, cooking chopsticks, grill pan, a few good knives, kimchi storing containers and earthenware bowls I can start to create these marvelous Korean dishes along with the Pantry Essentials that I found surprising quite easily at the market and online. I like that the Author named some of her favorite brands because it helped me choose from the large variety available to me. From how to cook the perfect rice, preparation of stocks sauces and marinades to step by step guidance through these recipes made it a wonderful experience to try these recipes at home with my family. I was intimidated to even think about trying to create authentic global recipes but this Author has written a book that was easy to follow and has a lot of information, not just recipes. I feel confident that I can follow the recipes and surprise my family and friends with some Seoul food. I received this product in exchange for a review.
