The Flat Stanley Collection Box Set: Flat Stanley, Invisible Stanley, Stanley In Space, And Stanley, Flat Again!

Synopsis

A great way to celebrate Flat Stanley's 50th anniversary! Four Flat Stanley books in a box set! Includes Flat Stanley, Invisible Stanley, Stanley in Space, and Stanley, Flat Again! Stanley Lambchop is an ordinary boy. At least he was, until the night his bulletin board fell off the wall and flattened him. At only half an inch thick, Stanley can slide under doors, mail himself across the country in an envelope, and fly like a kite! And that's only the start of Stanley's adventures. In these four tales, Stanley also becomes invisible and helps nab some bank robbers, journeys to outer space to rescue aliens, and, after being rounded out, turns flat again! One thing is for sure: There's nothing Stanley Lambchop can't do!

Grade Level: 1 - 5

Customer Reviews

Stanley is a boy who certainly handles the unexpected. In the first book of this four-book collection, FLAT STANLEY, Stanley is suddenly flattened when a bulletin board lands on him. His worried parents take him to the doctor who says everything is fine. Instead of Stanley being discouraged by his situation, he discovers some perks that come with being flat. He's able to fly like a kite, go to California in an envelope, and even help catch thieves. However, being flat does get old. Luckily, Stanley's brother, Arthur, is able to help him out. Stanley's life continues to be exciting, even as a

round person again. In STANLEY IN SPACE, the President of the United States contacts Stanley and asks for Stanley's family to go into outer space. The Lambchop family travels to the planet Tyrra and meets the Tyrrans, who are very small indeed. The Tyrrans are having problems, but Stanley and his family know just how to help this distant civilization. In INVISIBLE STANLEY, eating fruit during a storm proves to be just the combination to turn Stanley invisible. He's been flat, he's been to outer space, but invisible? That creates all new kinds of problems. And advantages. Stanley is able to help a stranger ride a bike, help his brother perform magic tricks, and help the police once again. However, when Stanley is tired of not being seen, he is lucky to have his brother help him out again. When Stanley gets flat once more in STANLEY FLAT AGAIN, Arthur is not able to unflatten him. Stanley has entirely new sets of adventures his second time around as a flat boy. His flat body makes for a perfect sail and helps Mr. Jones to win a boat race.
