## Customer Reviews

Lots of information for someone new to the Surface Pro. Lots of diagrams to support the descriptions. Also very good explanation of Microsoft Edge.

Very timely and valuable guide to more effective use of. Microsoft remarkable Surface Pro4 and

Surface Book, I found using both the printed and online editions using simultaneously valuable and complementary. Leaked news point out to expect more variants and improvements of the Surface variety and ii. among others, am looking to his painstaking commentary and guidance in that formidable domain

Great book! I got it for my father whose 86 and he is now realizing the power of his Surface!!!

Excellent book.

Hard to follow
