## Customer Reviews

I just saw this book and it almost sounded too good to be true, like some ultimate way to get revenge on all of the annoying online spammers who send me junk mail. This book clearly explains how you can turn the tables on all of the spammers who fill up your mailbox and actually make money from them. Overall it is a pretty quick read and I personally view it as more of a fantasy revenge, just to know that I am able to do this if I want or need to is great to know. Anyone who has had it with spammers should check out this book.
