Oregon: The Taste Of Wine

Synopsis

Both a photographic tour through the burgeoning Oregon wine country and an in-depth discussion of winemaking in the region. Elegant in design and featuring beautiful photography, highlighting many of the most well known wineries as well as the smaller lesser well known gems. It is a tribute to both the pioneers and newcomers of the Oregon wine industry who have made a mark in the international world of wine. Includes a Foreword by Jim Bernau, Founder of Willamette Valley Vineyards. Includes a historical time line of people and events that made Oregon a respected and maturing wine region. Map of the Viticultural areas of Oregon.

Customer Reviews

Excellent photos with brief and well written text. A wonderful history and future of the Oregon Wine Industry. A must have for anyone wanting to feel the Wines of Oregon.

This book is not only pleasing to the eyes but also to the mind. Unlike many Photography books that have page after page of images, with the occasional caption, this book also includes interviews and comments from workers and owners of the mentioned vineyards. These interviews and comments add a new dimension to the book making it feel more personal. Even people that have no knowledge of vineyards, like myself, will gain an education about the Local Oregon Vineyard Businesses and at the same time be blown away by the amazing photography style of Janis Miglavs. This is a must have book.

This book is incredible for the photos alone. They are breath-taking! But, I was also totally drawn in by the interesting stories of the people who have created the vineyards and wineries of Oregon. I plan to give this as a gift to every wine-lover I know

A very beautiful book that is a must read for anyone interested in Oregon as an up and coming wine region.

Really not what I expected.
