# The Taste Of New Wine

## **Synopsis**

Wherever it goes, The Taste of New Wine changes lives, challenges indifference, and creates an exciting sense of spiritual adventure. Its message is a breakthrough for honesty, integrity, and openness in our relations with God and with each other. The Taste of New Wine presents a firsthand, revealing, and unforgettable story of spiritual awakening. With unmitigated frankness, Keith Miller shares the turmoil and discoveries he experienced on his personal pilgrimage of faith. His powerful, life-changing message can spark an exciting flame of spiritual renewal within your own heart. With a refreshing absence of religious jargon, The Taste of New Wine shows how we can find the way out of the familiar "me-centered" predicament and move toward a pattern of honesty, integrity and openness in our relationships with God and each other. The author explores the transition from beginning commitment to a fuller and more mature Christ-centered life. The Taste of New Wine offers helpful insights on studying the Bible, worship, marriage and ways to live out Jesus' teaching about the Kingdom of God in our relationships and work. Four decades and over two million copies (and translation into 11 languages) later, this contemporary classic still offers a hopeful refreshing direction to its readers. It was included in the book 100 Christian Books that Changed the Century, by William J. Petersen and Randy Petersen. The Taste of New Wine belongs on every Christian's shelf of staying-power favorites, for it is a rich message, with insights that deserve to be enjoyed again, year after year. --This text refers to the Hardcover edition.

## **Customer Reviews**

Presbyterian Journal says "Sell your bed for this one!" in the blurbs on the back cover. The foreword

by Elton Trueblood describes it as a constructively critical book. Keith Miller is refreshingly honest in the way few men dare to be about his shortcomings in his quest to be a decent Christian man and in his demands for the same kind of honesty from others in the church. A breath of fresh air to read!

I read the first run of this book back in the late 70's or early 80's. It helped me move forward in my walk with God. I highly recommend it for any recent Christians or those trying to decide if Christianity is for them.

I first read this book in the early 1980s. After re-reading it recently, I found it just as relevant now as it was then.

This is a wonderful book by Miller that provides an abundance of thoughtful ideas, concepts, methods, trial and failures of the Christian life. He has really worked with God to be a Christian and it shows. Excellent.J. Robert Ewbank author "John Wesley, Natural Man, and the Isms" "Wesley's Was" and "To Whom It May Concern"
