Customer Reviews

I am a cookbook collector and read them and refer back to them. I purchased this in addition to the Pizza Bible. In this WS volume focusing on pizza I used one of these recipes - as with many of the WS cookbooks this one veers toward the unusual combinations and some recipes appear similar to other recipes in their books.

Very nice stone really impressed with the quality.

It's a pizza book

What can be wrong with pizza, or Williams-Sonoma? They are both fantastic. This is a great cookbook with wonderful ideas. I love pizza night.

It is a great book to have for beginners , my expectation was more !
