Customer Reviews

I always enjoy Dexterâ™s books, and this cookbook is certainly no exception! This book is chock-full of seriously tasty recipes suited to any night of the week. If youâ™ve got a wok and love Asian-inspired dishes, youâ™ll love the wonderful variety of stir fries, fish, and veggie-rich recipes. This book is perfect for inspiring some easy dinners during the work week, especially for those busy people who donâ™t have a lot of time to spend in the kitchen. I canâ™t wait to try them all!

Great sounding recipes! Easy and quick recipes for dinner or maybe even lunch. I can't wait to try some of these recipes!

Dexter does a great job with providing cookbooks with easy-to-follow recipes packed with tons of delicious flavors. Even better, cooking with a wok is so convenient--who doesn't love one pan meals? I love Asian food and I'm always looking for simple, tasty stir fry recipes. This book delivers, and Dexter offers great food that doesn't require tons of cooking experience. I highly recommend this for those who love Asian flavors as much as I do and need a little inspiration in the kitchen.

I just tried out a couple of recipes last week and my family said they want more, and Iâ™m happy to do so as itâ™s pretty easy using a wok. This book has wonderful recipes and easy to follow directions. I highly recommend to those who love Asian food, and for those who love easy to prepare stir fry recipes. I give this excellent book five stars all the way!
