Customer Reviews

A very handy 144 page reference book featuring hundreds of small, full color photos of Royal Copley, Royal Windsor and Spaulding items. This Book II has no repeats from the previous Book I. Major chapters run from Royal Copley-Still Going Strong, The Truth About Royal Windsor, A Warm Experience at Spaulding, to Labels, Bibliography and Source Material. You'll find this handy purse size volume useful as you attend auctions and antique shows.

It wasn't what I was expecting for a value guide, not very definate and vague descriptions, not all RC identified. Its okay though.

Very informative.

Thanks.
